Revenue Analysis

Insight Board

- Standard tickets are the most sold types of tickets and contribute 80% revenue.
- Only 10% of tickets sold are first class . Because of their high price they contribute to 20.34% of the revenue

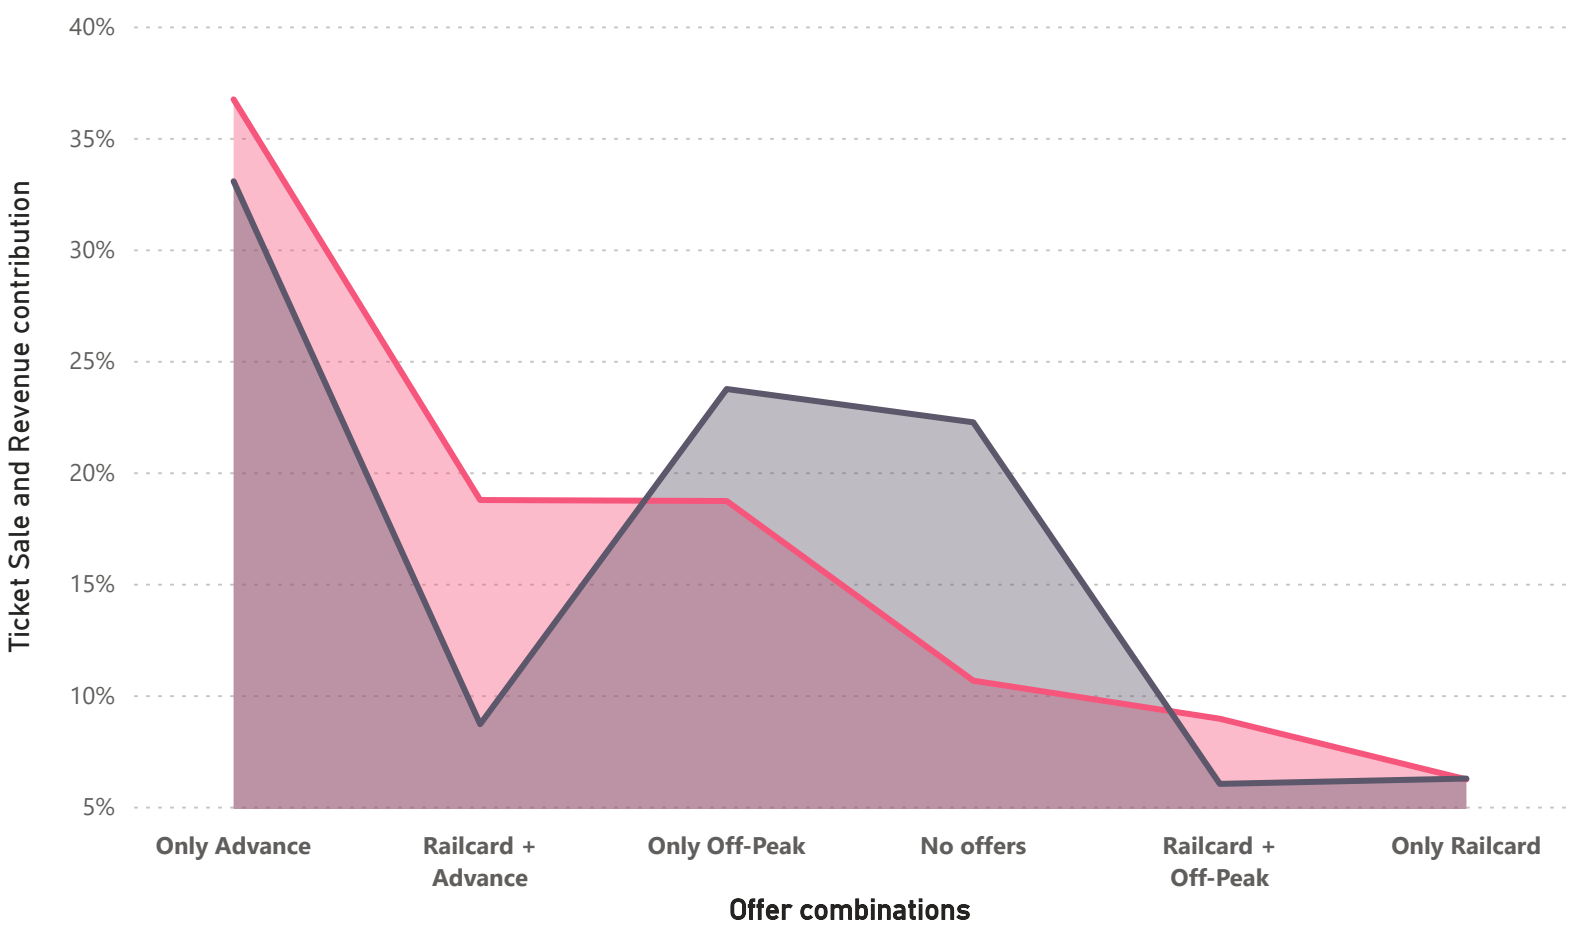

Insight Board

- Only 20% of the travellers are railcard holders.
- Offer on the railcard holders is justified by balanced discount rate

Insight Board

- Advance Tickets are the most sold tickets but lower revenue contribution.
- Offpeak tickets show balanced discount rate.
- Full price tickets are crucial for maximizing revenue.

Are best selling offers boosting revenue?

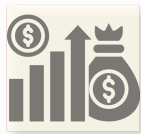

Insight Board

- Railcard+ advance offer combination is the most applied but the revenue generated by it is one of the lowest and hence it is not a balanced offer.
- Only advance, only off-peak, only railcard show good sales revenue balance and hence are worthy promoting.
- The only offer combination that is balanced is railcard+ offpeak.
